Erratum to: Long non-coding RNA ROR decoys gene-specific histone methylation to promote tumorigenesis

Jiayan Fan^{1†}, Yue Xing^{1†}, Xuyang Wen^{1†}, Renbin Jia^{1†}, Hongyan Ni¹, Jie He¹, Xia Ding¹, Hui Pan¹, Guanxiang Qian², Shengfang Ge^{1*}, Andrew R. Hoffman³, He Zhang^{1*} and Xianqun Fan^{1*}

After the publication of this work [1], we noticed an error whereby two corresponding author's names were missed from the Acknowledgements section. The corrected statement is provided below:

Acknowledgements

In this report, JYF, YX, and XYW designed and performed the experiments and drafted the manuscript; RBJ, HYN, JH, XD, and HP were responsible for sample collection and data analysis; SFG, GXQ, ARH, and XQF discussed and revised the manuscript. SFG, HZ and XQF were the originators of the concept of this report and wrote and approved the manuscript. All of the authors approved this manuscript.

Submit your next manuscript to BioMed Central and we will help you at every step:

- We accept pre-submission inquiries
- Our selector tool helps you to find the most relevant journal
- We provide round the clock customer support
- Convenient online submission
- Thorough peer review
- Inclusion in PubMed and all major indexing services
- Maximum visibility for your research

Submit your manuscript at
